

FBMC brings you...

Premier Flex Solutions

FBMC has the answers to your benefit issues. We will help you craft a benefits plan designed to fit your employees' needs without breaking your budget.

- PremierFSA
- PremierHSA
- PremierHRA
- Premier125
- PremierCommute

Premier Enrollment Solutions

Our online Premier Enrollment System enables us to manage your company's enrollment securely and efficiently.

- Benefits automation at open enrollment
- Personal on-site and telephone benefits counseling
- Year-round new hire enrollment
- 24-hour self-service
- Multi-system integration
- Award-winning enrollment materials

With over 33 years of experience in benefits administration, we know that quality products, outstanding customer service and flexibility are the keys to keeping our clients satisfied.

We are a full benefits management administrator and broker. Our goal is to help people and companies save money, insure risk and understand and use their benefits.

This is what makes FBMC the premier benefits administrator.

Premier COBRA & Retiree Solutions

FBMC provides Department of Labor and IRS-compliant administrative services and guidance on regulatory questions for COBRA. We also offer Retiree billing services, including a deduction management interface with State Pension Plans where available. Additionally, we offer a Retiree Health Reimbursement Arrangement (Investment HRA) that allows the investment of funds prior to retirement.

- **24-hour Web access**
- **Online premium payment**
- **Leave-of-absence assistance**
- **Paper and/or electronic enrollment materials**

Value-added Services

We give our clients premier treatment by providing updates on regulatory and compliance issues that affect you and your employees through our other value-added services.

- **Quarterly Review compliance newsletter**
- **Benefit Alerts**
- **Dependent Audit Verification**
- **Employee Benefits Statements**

If you are interested in offering your employees the benefits solutions they deserve, FBMC is the partner you need.
